Dear Sir or Madame:

This letter concerns your pending request for authority to remain silent. Temporary authority is hereby granted for the above-referenced station(s) to remain silent for six months from the date of this letter.

Any further requests for extension of this authority must be accompanied by a detailed summary of steps taken to return the station to on-air operations.

On December 11, 1991, the Commission adopted a Report and Order (copy attached) which amended Part 1 of the Commission's Rules, to implement Section 5301 of the Anti Drug Abuse Act of 1988. Pursuant to the Report and Order, any requests for extension of this authority must be accompanied by a certification that neither the applicant nor any party to the request is subject to a denial of Federal benefits under Section 5301. Please use the attached certification page to comply with this requirement, if you need to request an extension of this authority.

It will be necessary to maintain prescribed tower lighting in accordance with the station's license authorization. If an extension is not required, you are requested to notify the Commission, in writing, of the exact date the station resumes on-air operations.

In the event that any AM station remains silent for a period over 6 months, it will be necessary to file with the Commission, prior to returning the station to on-air operations, an FCC Form 302 for direct measurement of power which should include a partial proof of performance for stations with directional antennas.

Sincerely,

WMTD, Hinton, WV

Dear Sir:

WMTD AM is requesting permission to remain silent for another 90 day period.

Since the unexpected loss of our former tower site on April 15, 1993, we have been searching and continue to search for an acceptable site to relocate the facility within the technical and environmental restrictions.

Your consideration of our situation is greatly appreciated.

Sincerely,

Gentlemen:

Under authority previously issued by the Commission, Radio Station WMTD, Hinton, WV, Licensed to Bluestone Broadcasters, Inc., has begun post sunset operation effective Nov 4, 1984.

To produce the authorized 89.8 Watts, the regular station transmitter is operated in it's 250 Watt mode, with the addition of a series resistance in the PA Plate Lead to reduce input power to the required level and the audio input reduced with fixed pad to adjust modulator to proper power level, all of which is accomplished through the operation of relays when the PSSA power level is called for.

PSSA is being used from local sunset until 6 Pm Local time.

Sincerely,
